The PBR series is a standard 6 inch round push plate with a premium design for wall applications, as well as functional, aesthetically appealing and weather resistant.

COMPONENTS VIEW

FEATURES

- Larger surface area for high visibility
- Beveled edges are less susceptible to damage by deflecting harsh impacts from any side
- Stainless steel finish is scratch/scuff resistant and will not deteriorate or rust from exposure to liquids and other cleaning agents
- Graphics are etched onto the faceplate for maximum durability
- Available in various styles to fit almost any application, hard wired or wireless
